

Coin in Your Pocket

Words and music by John Gabriel Arends

You have chosen me, called me royalty

G#m **E**

Given destiny, lifting me from the dirt

You gave Your only Son so I could become one

I'm not an orphan anymore

You've captured me with holy love

I've never been so free

You've purchased me with holy blood

G#m

I want You to send me!

Now all that's left is all my "yes" forever
