John Gabriel Arends

F#m **A**
Why should I stay shallow when You are deep?
Why should I stay shackled when You are free?
Why should I just sit here when You're moving?
Standing on the shoreline is not for me!

Bm **D**
Dryer than a desert in the sun—desperate for the rain
Longing for Your river oh God—You are calling me

A **E**
Deeper into Your River
F#m **D**
Deeper into Your Presence
A **E**
Deeper into You Jesus
G **Bm**
I was born for more
A **E**
Deeper into Your freedom
F#m **D**
Deeper into Your passion
A **E**
Deeper into Your Spirit
G **Bm**
I was born for more

F#m **A**
Why should I be normal when You are wild?
Why should I be lukewarm when You are fire?
Why should I just die here completely dry?
You are the Living Water and You are life!
Bm **D**
Dryer than a desert in the sun—desperate for the rain
Longing for Your river oh God—You are calling me

F#m **A**
Why should I stop dancing when You are good?
Why should I stop laughing when You are joy?
This might get crazy—out of control!
No turning back 'cause I just let go!
Bm **D**
Diving in the river—here I come! Laying down my pride
Living for Your river oh God—Ready for the ride!
