Well, I'm here now to worship You
I'm here now 'cause I'm in love with You
I'm here now to seek You
I'm here now, I'm gonna find You

E C#m A

Lord, I come before You now
I believe You are who You said You are
I believe that You'll do what You said You'd do
I believe there's reward in seeking You

F#m E/G# A B

So Lord, I come before the throne of grace
I bring an offering—the best kind, my faith
'Cause Lord, You are faithful to perform Your word
I will seek You and I will find You
