

I'm Not Looking Back

Words and music by John Gabriel Arends

[Verse] Em D A/C# C B/D#

When You called me to follow, I said yes to You
Dropped my nets to the ground and gave my heart to You...
I had never discovered anyone like You
Such a power encounter, I could not refuse

[Chorus] Am G B C

I'm not looking back to anything that I left behind
I'm not hesitating because I've made up my mind
Earthly treasures and worldly pleasures cannot win my eyes
I want Jesus! Only Jesus! He is my delight!

[Bridge] Em D A/C# C

After all this time, nothing has changed at all
Because You still call men to drop their nets and their all
After all this time, You have not changed at all
Because You still call me to drop my nets and my all

[Outro] Em D A/C# C B/D#

When the fight is finished, when the race is run
Will He find me faithful, Will He say well done?
