

# I Do Choose You

---

John Gabriel Arends

Am G/B C2  
What do You see in me  
Am G/B C2  
That You would pay my penalty?  
Am G/B C2  
You came and willingly died  
Am G/B C2  
My freedom cost You Your life

F  
I have found true love at last  
Am  
Love with nail scars in His hands  
F G  
Love that was not frightened by the grave  
F  
All I know I count as loss  
Am  
Compared to knowing You, Jesus  
F G  
And love that looks like a cross

C G/B  
You're my hero, and I will not forget  
Am F  
How You saved me and You called me Your friend  
C G/B  
But You're longing for so much more  
Am F  
Intimacy is what You died for  
Am G/B  
When You ask me to be Your bride  
C F  
I will say "Yes!"—kiss the world goodbye  
C G/B Am C/G  
Before anything or anyone that I could choose  
F Gsus G C G/B Am  
Lord, I do, I do choose You  
C/G F Gsus G C G/B Am C/G F Gsus G C  
Lord, I do, I do choose You
