

Walk Like Enoch

Words and music by John Gabriel Arends

[Verse] D G D G

I want to walk like Enoch did
I want to live in Your Spirit
Walking by faith and not by sight
Only You can satisfy

[Prechorus] A D G

I have chosen to follow after You
Leaving all this world behind
I am determined
And there's nothing left to lose
Only You can satisfy

[Chorus] D D/C# C Em

I wanna walk with You
I wanna follow You
I wanna be with You
All of my days
I wanna see Your face
I want to know Your voice
I wanna live my life
Caught up where You are
